WRITTEN STATEMENT OF BEHAVIOUR PRINCIPLES

Rationale and purpose

This statement was written and approved by the Governing Body. It will be reviewed annually, in line with the Department for Education guidance and in line with the school's Behaviour Policy.

This statement has been drawn up in accordance with the Education and Inspections Act, 2006 (Section 88(2)), and in line with the school's Behaviour Policy.

The purpose of this statement is to provide guidance for the Headteacher in drawing up the school's Behaviour Policy so that it reflects the shared aspirations and beliefs of Governors, staff and parents for the pupils in the school as well as taking full account of law and guidance on behaviour matters. It is intended to help all school staff to be aware of and understand the extent of their powers in respect of discipline and sanctions and how to use them. Staff should be confident that they have the governors' support when following the guidance.

The school's Behaviour Policy is publicised to staff and families on the school website.

Principles

- All pupils understand they have the right to feel safe, valued and respected , and to be able to learn free from the disruption of others.
- Kings Hill School Primary and Nursery is an inclusive school. All members of the school, pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- The school rules should be clearly set out in the Behaviour Policy and displayed in school.

  Rewards and sanctions are applied consistently by staff, in line with the behaviour policy.
- The school's behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in suspensions and exclusions.
- Pupils are supported to take responsibility for their actions
- Families and carers are involved in the handling of behaviour incidents to foster positive relationships between the school and pupils' home life.

The Governors wish to emphasise that violence, threatening behaviour or abuse by pupils or parents towards school staff will not be tolerated. If a parent does not conduct himself/herself properly, the school may ban them from the school premises and, if the parent continues to cause disturbance, he or she may be liable to prosecution.
