SUN PROTECTION POLICY

Now the weather is getting warmer we want the children to enjoy the sun safely please find below our sun protection policy.

Sunscreen

- Parents of children that attend for a half day should apply sunscreen to their child before they come to nursery. For those children that attend for a full day, parents should apply sunscreen to their child before they come to nursery and staff will assist the child in reapplying it during the day when necessary. The long lasting type of sunscreen is recommended.
- Parents are asked to give written permission for sunscreen to be applied to their child.
- Parents are required to provide the nursery appropriate sunscreen for their child.
- The sunscreen must be in date, and be a minimum factor 30.
- Parents should leave the sunscreen at the nursery for the duration of the summer, the sunscreen must be clearly labelled with the child's name on it.

Hats

- Children must have a clearly named sun hat which will be worn whilst outside in sunny weather. This hat should preferably be of legionaries design (i.e. with an extended back and side to shield children's neck and ears from sun) to provide additional protection.

Sunscreen Consent Form

As children play regularly outside, it is important that they are protected from the sun. It is important that through the summer months all children have an application of sunscreen applied to them before playing out in the sun. It is the policy of Kings Hill School to gain parent/carer permission before applying sunscreen to a child.
